Published by Friends of Berowra Valley, the double sided purpose-designed topographical map:

- shows approved walking tracks and fire trails
- references picnic and camping places, toilets, and important, notable and historic sites
- shows clearly marked track head access from public transport
- reproduces clear and specific safety guidelines for some tracks that cross the restricted Hornsby Rifle Range
- is printed on quality synthetic paper which handles wet conditions, repeated folding and tearing
- is folded for convenient part-opening to follow a track
- is cross-referenced to the Friends of Berowra Valley website
- describes and illustrates the ten walks in [Guide to Berowra Regional Park](#) (2004, out of print, 245 pp, more than 400 colour images)
